Why Schiappa's?

We are a locally owned business lending a hand to our community schools and organizations by providing them with unique fundraising products.

About our Pizzas?

Our pizzas are NEVER frozen!! Our handmade fresh pizza's offer a New York style crust—a little doughy and delicious!

Feel free to pop right in the oven, baking instructions will be included. Our pizzas will last in the refrigerator for about a week or you can freeze them to enjoy at a later date.

Fun Foodie Fundraisers?

We marry local companies with local organizations to create fun food oriented fundraising and events which help both to prosper.
